Seminar Description:

L.A. Bariatrics is a surgical and lifestyle behavior program that promotes weight loss and maintenance. Our surgeon, Dr. Jeremy Korman will lead the seminar discussions. The participant will gain familiarity with the etiology of obesity. Surgical weight loss options and a brief description of each will be discussed along with risk and benefits. Achievement of weight loss goals is based upon your adherence to post surgical nutritional guidelines, an exercise plan and behavior modification. L.A. Bariatrics will provide you with the education and support to achieve your goals.
